Re: PQ48071/22

To ask the Minister for Health when CH07 will have a clinic for adults with ADHD; and if he will make a statement on the matter.

Dear Deputy

I refer to the above Parliamentary Question that you submitted to the Minister for Health, the Minister has requested that the HSE respond directly to you on this matter. I have examined the question raised and the following outlines the position.

The implementation of the Adult ADHD Service for HSE Dublin South, Kildare & West Wicklow Community Healthcare (CHO7) is in progress.

We are currently recruiting for two adult ADHD teams. One for Dublin South Central Mental Health Service and the second for Kildare West Wicklow in conjunction with CHO 8. We are hoping to interview for the new ADHD in adults posts in the next couple of months, however it will likely be next year before that service is up and running.

I trust this information is of assistance to you but should you require further details please contact me.

Yours sincerely,

Mr. Kevin Brady, Head of Service Mental Health
