Re: 48574/22 - Covid-19 Pandemic Payment

Dear Deputy Troy,

I refer to the recent representation in relation to the former, temporary, now permanent, Clerical Officers who worked in the Accident and Emergency Department during Covid-19.

I have had this matter examined and I am advised that all temporary staff have been paid. In relation to Covid-19 Pandemic Payment, for agency staff, we are informed by the Department of Health that this work has been outsourced to an external company and they will notify Regional Hospital Mullingar once this has been completed.

I trust this information is helpful to you.

Yours sincerely

Kay Slevin
Hospital Manager,
Regional Hospital Mullingar.
