Dear Deputy Kerrane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position;

As Head of Community Healthcare West, Mental Health Services, I am pleased to advise that the work of the Roscommon Report Project Team in implementing the Recommendations within the Roscommon Report is now complete and a Transition Group has now been put in place to ensure the work of the Project Team continues and is embedded within the operational system going forward. The Project Team have presented the body of work to the Chair of the Independent Review committee who has endorsed the work of the Team in bringing the Project to fruition.

I trust this information is of assistance to you, but should you have any further queries, please contact me.

Yours sincerely,

Charlie Meehan
