Re Ref: [PQ 48861/22]

****To ask the Minister for Health the status of the primary care centre in Rathdrum; the estimated completion date for the primary care centre; if a structural assessment has been carried-out on the site due to unfinished road servicing, electric vehicle infrastructure and reports of damage to internal walls; and if he will make a statement on the matter.**

Dear Deputy Whitmore,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health and Children for response. I have examined the matter and the following outlines the position.

Rathdrum Primary Care Centre is fully operational with HSE Primary Care Services being provided from the site.

Construction works including internal and external work are complete at the site. The landlord has advised the HSE that any defects internally and externally have been addressed by the landlord and contractor during the defects period.

The car parking spaces that have been allocated to the HSE under the terms of the lease at Rathdrum Primary Care Centre do not include charging for electric vehicles.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

PP 

Sinead Kilbride
General Manager, Primary Care
