**To ask the Minister for Health if he will provide an update in relation to a project (details supplied); if the construction work has recommenced; the estimated timeframe for when the facility will be completed in light of the construction downtime; and if he will make a statement on the matter.**

Dear Deputy Ring,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted for response. I have examined the matter and the following outlines the position.

The issue with recommencement is funding by the developer. The HSE/HSE legal team are actively pursuing a resolution to this with them. Unfortunately, we cannot provide confirmed recommencement dates at present.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,

pp
