PQ: 50033/22 “To ask the Minister for Health if he will provide an update on waiting times for assessments of children with autism in Dún Laoghaire; the number of children waiting for such an assessment; the number of assessments conducted and completed in each of the years 2020 and 2021 and to date in 2022, in tabular form; and if he will make a statement on the matter”

Dear Deputy Carroll MacNeill,

Thank you for your recent correspondence. The Health Service Executive has been requested to reply to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the current position.

Disability Services, Community Healthcare East, do not hold a waiting list detailing waiting times for assessments of children with autism.

I trust that this information is of assistance to you.

Yours sincerely,

Anna Meegan
