Re: PQ 50274/22 –
Bicycle Station – Hospital Grounds

Dear Deputy Murphy,

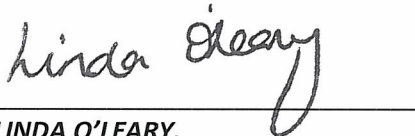

I refer to recent PQ with regard to the installation of a bike station on the grounds of Wexford General Hospital.

At present, there are Bike Racks at the main entrance, which accommodate 12 bikes. Extra racks were installed earlier this week in two separate locations on the hospital campus and these will accommodate 12 additional bikes. All of the racks are located in areas with overhanging canopies.

It is hoped to install further racks with shelters in the near future, subject to funding being available.

I trust that this information is helpful to you.

Yours sincerely,

LINDA O'LEARY,
HOSPITAL MANAGER.
