Dublin 2.

PQ 50775 - To ask the Minister for Health the number of Tipperary patients receiving dialysis in University Hospital Waterford; and if he will make a statement on the matter.

Dear Deputy Cahill

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I have been advised that according to our records, there are 34 patients with a Tipperary address currently attending University Hospital Waterford (or a satellite unit) for dialysis treatment.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

Grace Rothwell
