Mr James O'Connor T.D.,  
Dáil Éireann  
Dublin 2.

**PQ ref 51041/22**

**"To ask the Minister for Health the status of physiotherapy services in the primary care centre in Fermoy; and if he will make a statement on the matter."**

Dear Deputy O'Connor,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Community Health Network 5, which included the Fermoy area, has been working closely with HSE Estates regarding completing the fit out of the building and are currently awaiting delivery of some essential equipment.

It is anticipated that the centre will open in early December 2022 so services can commence at the centre but a more definite date cannot be ascertained as yet.

If you require any further information, please do not hesitate to contact my office.

Yours sincerely,

---
