Re: PQ 51587/22.

To ask the Minister for Health the number of days in the past two years that a bereavement room has been available in Mayo University Hospital. – Peadar Tóibín.

Dear Mr Tóibín,

I refer to the above representation. The Rose room opened in 2019. Unless there was a family occupying the room when it was required, it has been available to families of bereaved patients throughout the last two years.

There is an additional family area adjacent to “A” ward which is also made available to families should they require it.

I hope that clarifies the matter.

Kind Regards,

Catherine Donohoe
Hospital Manager
