PQ 51880/22 To ask the Minister for Health if persons on public health waiting lists are impacted by refusing the option of taking care through the National Treatment Purchase Fund; and if their position on the public health list is affected in any way.

Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Response

Persons who refuse an offer of treatment through the NTPF are not impacted on public waiting lists and their position on the public health list is not affected as a result.

I trust that this response is satisfactory

Yours sincerely,

**Kevin Finnan
