“To ask the Minister for Health if the HSE plans to include the omnipod tubeless wireless insulin patch pump on the list of approved insulin pumps that have been added to the insulin pump and transmitter pricing agreement; and if he will make a statement on the matter”.

- Maurice Quinlivan

Dear Deputy,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (PQ) which you submitted to the Minister for Health for response.

The HSE has previously made the manufacturer of the Omnipod tubeless, wireless insulin patch pump of the process to apply to be added to the list of approved Insulin pumps on the Insulin Pump and Transmitter Pricing Agreement. However, so far they have not availed of this opportunity.

I trust this information is of assistance to you.

Yours sincerely,

Seán McArt
