

November 2022

Mr. Michael Moynihan, T.D.,
Dáil Éireann,
Dublin 2

PQ ref 52174/22

"To ask the Minister for Health when a community neuro-rehabilitation team will be in place in CHO4; and if he will make a statement on the matter.

Dear Deputy Moynihan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

There is a very limited service of neuro-rehabilitation being provided within CKCH primary care. We are aware that there are pockets of service that are being supplied by Neuro-Rehab Occupational Therapists and Physiotherapists across CKCH but this currently does not amount to a structured neuro-rehabilitation team as such.

There is no development funding for a community neuro-rehabilitation team at present.

This is something though that we are looking at developing in the future.

If I can be of any further assistance, please do not hesitate to contact me.

Yours sincerely,

Priscilla Lynch
Head of Service - Primary Care,
Cork Kerry Community Healthcare
