Dear Deputy Mac Sharry,

The Health Service Executive has been requested to reply directly to you in the context of the above Public Representation. I have examined the matter and the following outlines the position.

Response:

Sligo University Hospital has not received approval for additional Neurology nursing staff and is not aware of the details in relation to an allocation of 23 specialist Neurology nurses

However, we will await 2023 Estimates to give further clarity on any new development for Sligo University Hospital.

I trust that this addresses your query.

Yours sincerely,

**Grainne McCann,
Hospital Manager.**
