Re: PQ – 52747/22 To ask the Minister for Health the number of persons who are currently attending a weight management clinic (details supplied) broken down by CHO in tabular form; and if he will make a statement on the matter. -John Brady

Dear Deputy Brady,

Below please see the number of attendances at all of the weight management clinic's here at St. Columcille's Hospital from January to October 2022. \*Please note that while the total number of patients who attended is 1,120, many of the patients attended the clinic's twice or three times during the January to October timeframe, to enable ongoing assessment, hence the 1702 figure. Please also note that the department is unable to break down the attendance by CHO area.

General Weight Management Clinic's No of Patients attended	412
Ms Henegan Bariatric Clinic attendances Jan – Oct	155
Mr Geoghegan Bariatric Clinic attendances Jan - Oct	436
WEIGHT MGT Multi Disciplinary Team attendances Jan - Oct	<u>117</u>
Total attendances Jan to October 2022	1120
*No of return/review patients	1702

Please let me know if you require any further information.

Kind regards

  
Hilary Flynn
