Deputy Neasa Hourigan, T.D.,
Dáil Éireann
Dublin 2

PQ ref 52984/22:

"To ask the Minister for Health the number of persons currently residing in Cois Abhainn Residential Centre, Youghal; the number who are in single-occupancy rooms; the number who are in shared rooms; and if he will make a statement on the matter".

Dear Deputy Hourigan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Cois Abhainn Residential Centre is a designated older persons unit operated by the Health Service Executive and located on the outskirts of Youghal town. It provides 24-hour nursing care to both male and female residents whose dependencies range from low to medium care needs. Long-term care, transitional care and respite care is provided at this facility.

The table below sets out the number of persons currently residing in a long term capacity at Cois Abhainn Residential Centre (as at 2nd November 2022), together with a breakdown of the number of long term residents in single occupancy and shared rooms:

Long Term Residents currently residing in Cois Abhainn	16
Number of residents in single occupancy rooms:	14
Number of residents in shared rooms:	2

I trust this clarifies the position. If you require any further information, please do not hesitate to contact me.

Yours sincerely,

Jackie Daly
Head of Service for Older People
