Re; PQ Ref 53296/22 (Sunbeds)

Dear Deputy Farrell,

I refer to your recent Parliamentary question.

Question

To ask the Minister for Health if audits of compliance are carried out on retailers who offer tanning and sun beds; and if he will make a statement on the matter.

Response

In accordance with the Public Health (Sunbeds) Act 2014, the HSE Environmental Health Service does carry out a programme of inspections of premises that operate sunbeds.

This programme also includes test purchasing and mystery shopping inspections.

Yours sincerely,

*Shane Keane,
RCEHO.*
