Re: PQ 42498/22 – Dental Services under Anaesthesia.

Dear Deputy Murphy,

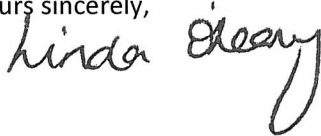

I refer to PQ regarding Dental Services under Anaesthesia at Wexford General Hospital.

As previously advised, currently we have only one Theatre session per week available at WGH for Dental Services under Anaesthesia. This session accommodates children and, in addition, adults with special needs. Slots are allocated by the Dental Team in CHO5.

It is not possible at present to anticipate when the service will return to pre-Covid levels. However, we are actively working to recruit additional staff.

I trust that this information is helpful to you.

Yours sincerely,

**LINDA O'LEARY,
HOSPITAL MANAGER.**
