PQ Question: To ask the Minister for Health if he will provide details on the national and county average waiting time for children waiting to see a clinical mental health professional with the Child and Adolescent Mental Health Service in tabular form. -Donnchadh Ó Laoghaire

Dear Deputy Ó Laoghaire,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

As per my response to your Parliamentary Question 42661/22, the table below provides the latest available information on the number of children and adolescents who are on the waiting lists CAMHS services by CHO area. Please be advised that this data is subject to change due to ongoing review and validation.

Please note data is not captured by age range or by individual Clinician.
