**PQ 43474/22 * To ask the Minister for Health the status of the Finglas primary health care centre; the timeframe for completion of the centre; and if he will make a statement on the matter.
-Thomas Pringle**

Dear Deputy Pringle,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE has engaged a design team for the Finglas Primary Care Centre (PCC) project and work on the preliminary design is underway.

Below for your information is a link to a copy of the jointly issued public information brochure on the Fergal's Field Development Project incorporating the Finglas PCC. This was published on 5th of May 2022 on the HSE, Dublin City Council (DCC) and City of Dublin Education and Training Board (CDETb) websites and social media.

The process of land transfer between all parties has commenced, once this process has concluded the HSE will be in a position to give an estimated timeframe for the completion of the Primary Care Centre in Finglas.

Yours sincerely,

Paul de Freine
National Director,
