**Re: PQ 43971/22: CRANOG day-centre, Castleblayney, Co. Monaghan**

**To ask the Minister for Health the current publicly-funded staffing levels at a day centre (details supplied); the corresponding levels as of January 2021, June 2021, January 2022 and May 2022; the numbers within the staff cohort that are qualified as nurses; and if he will make a statement on the matter.**

Dear Deputy Carthy,

I refer to your recent Parliamentary Question in relation to staffing levels in Crannog Day Centre.

I have attached below a table which outlines the staffing levels in Crannog Day Centre by grade for the months, January 2021, June 2021, January 2022, May 2022, and for the most recent period August 2022.

There was an increase of 2.42 WHOLE Time Equivalent (WTE) staff in the unit between January 2021 and August 2022, of which 0.67 WTE were Nursing and 1.75 WTE were Care Assistants.

I trust this information is of assistance to you, however if you have any further queries do not hesitate to contact my office

Yours sincerely,

**Ms Maria Ferguson,  
Head of HR, CHO1**
