PQ 44469/22* To ask the Minister for Health the status of the new primary care centre for Finglas; and if he will make a statement on the matter. -Paul McAuliffe

Dear Deputy McAuliffe,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE has engaged a design team for the Finglas Primary Care Centre project and work on the preliminary design is underway.

The process of transferring relevant lands between parties to the development, (HSE, Archdiocese of Dublin, the City of Dublin Education and Training Board and Dublin City Council), has commenced. Once this transfer has been completed the HSE will be in a position to advance the process of planning and design, and to provide an estimated timeframe for the completion of the new Primary Care Centre in Finglas.

Yours sincerely,

Paul de Freine
