Ref PAD PQ ref 44648/22 – St Brendan's Community Nursing Unit - Loughrea

Dear Deputy Canney

I refer to PQ ref 44648/22 uploaded on the PAD System on the 13th September 2022, due for response on the 28th September in relation to the recommencement of the Day Services in St. Brendan's Community Nursing Unit, Loughrea. The following outlines the current position.

Community Healthcare West are working with a local facility in Loughrea to provide day services three days per week facilitating the attendance of twenty four people per day. This is in addition to the one day service in St Brendan's Community Nursing Unit. We envisage that this will be operational by the end of September 2022. We will contact the attendees in advance of the opening.

I trust that this response has clarified the matter that you have raised in this instance.

Yours sincerely

Shannon Glynn
Head of Service
Older People's Services
