HYDROTHERAPY POOL AT ENABLE IRELAND IN CAVAN - NOT OPEN - NEEDS FUNDING; Enable Ireland

To ask the Minister for Health the reason that the Hydrotherapy Pool at Enable Ireland, Cavan is not open; if his Department will grant funding for same; if his Department has received an application from the organisation regarding this pool; and if he will make a statement on the matter. - Niamh Smyth

Dear Deputy Smyth,

I refer to your recent correspondence received in my office in relation to the Hydrotherapy Pool at Enable Ireland, Cavan. I have examined the matter and the following outlines the position.

The Service Manager for Enable Ireland North East Services has confirmed that the remedial works have been completed on the Hydrotherapy Pool at Enable Ireland, Cavan. The service is commencing the filling of the pool slowly to bring it to the right temperature. Enable Ireland is also actively recruiting for a pool attendant/ maintenance person and will give an update on this in the coming weeks. It is hoped to have the pool opened next month.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely
