Re: Parliamentary Question 46831/22 *“To ask the Minister for Health the number of patients treated in the acute medical assessment unit at Connolly Hospital, Blanchardstown per day in August 2022. -Paul Donnelly”*

Dear Deputy Donnelly,

The RCSI Hospital Group has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

I can confirm that Connolly Hospital did not have an Acute Medical Assessment Unit in operation during August 2022.

Connolly Hospital have a Short Stay Unit, which treated 38 patients between 23.08.22 to 31.08.22.

We trust this information is of assistance to you.

Yours sincerely,
