**PQ Question: To ask the Minister for Health the status of the Child and Adolescent Mental Health Annual Report for the years 2013 to 2014 up to and including 2020 to 2021; and if he will make a statement on the matter. -Pa Daly**

Dear Deputy Daly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The publication of the Child and Adolescent Mental Health Annual Report ceased in 2014 with the establishment of the now former Mental Health Division.

The HSE routinely publishes its Performance Reports on all services including Child and Adolescent Mental Health Services on the HSE website. Please see link below:

<https://www.hse.ie/eng/services/publications/performance-reports/>

If there is any specific information that the Deputy is looking for which is not contained in the HSE Performance Reports, then National Mental Health Operations will look to provide this where possible.

I trust this information is of assistance to you.

Yours sincerely,

---

**Tony Mc Cusker**  
**General Manager**
