To ask the Minister for Health the number of persons who were previously diagnosed with breast cancer and who are waiting for a recommended follow-up mammogram appointment in the Dublin Midlands Hospital Group for each of the years 2020, 2021, 2022 and to-date in 2023, by each hospital and waiting time period in tabular form

Dear Deputy Bacik

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted for response. I have examined the matter and the following outlines the position.

The following is provided by St James Hospital and St Luke's Radiation Oncology Network who are part of the Dublin Midlands Hospital Group.

Hospitals records do not specifically record the information of patients who have been previously diagnosed with breast cancer.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact my office.

Yours Sincerely

Mr Trevor O' Callaghan
Chief Executive Officer
