**Re: PQ 17618-23 - St. Vincent's University Hospital**

Dear Deputy Bacik,

I refer to the recent parliamentary question which has been referred for direct response.

I have had this matter examined and am advised that the number of persons waiting 12 hours or more in the Emergency Department in St. Vincent's University Hospital, from 2016 to 18<sup>th</sup> April 2023 are as follows:

St. Vincents University Hospital : Emergency department PET Review >12 hours PQ 17618 / 23 (Date Range : 2016 - 2023 April 18th)						
Year	ED Disch Total	ED Disch >12 Hrs	% Disch PET >12 Hrs	ED Disch >12 Hrs resulting in Adm	% Disch >12 Hrs resulting in Adm	ED Att. Comparison
2016	52,258	13,131	25.1%	7,668	58.4%	52,250
2017	54,037	11,911	22.0%	6,917	58.1%	54,009
2018	57,525	13,796	24.0%	8,757	63.5%	57,486
2019	59,673	16,688	28.0%	10,142	60.8%	59,615
2020	54,293	7,284	13.4%	4,816	66.1%	54,180
2021	60,962	7,686	12.6%	5,810	75.6%	60,748
2022	62,215	14,924	24.0%	9,798	65.7%	61,997
2023	17,978	4,110	22.9%	2,677	65.1%	17,952
<b>Total</b>	<b>418,941</b>	<b>89,530</b>	<b>21.4%</b>	<b>56,585</b>	<b>63.2%</b>	<b>418,237</b>

*2023 activity as of April 18th.*

I trust that this clarifies the matter.

Yours sincerely,

*Michele Tait*

Michele Tait,  
Interim Chief Executive Officer.
