**Re: PQ ref 18612/23 - To ask the Minister for Health what decision will be taken regarding the future of the Lettermacaward Health Centre; if comprehensive remedial actions will be undertaken as a matter of priority to ensure the health centre is open and available for the local community as soon as possible; and if he will provide a timeframe for its reopening.**

Dear Deputy Doherty

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I have examined the matter and the following outlines the position for Community Healthcare Cavan Donegal Leitrim Monaghan Sligo.

I can confirm that remedial work will be undertaken in the coming months to ensure that Lettermacaward Health Centre is open and available to the local community at the earliest possible date. At this time, I cannot be specific with a date but the HSE will endeavor to have these works carried out in as timely a manner as possible.

I trust that this is of assistance, but please do not hesitate to contact me if you require anything further.

Yours sincerely

**Mandy Doyle**
