PQ: 18709/23

To ask the Minister for Health the number of general practitioners in each county, in tabular form. -Richard O'Donoghue

Dear Deputy O'Donoghue,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question (Reference 18709/23), which you submitted to the Minister for Health for response.

The PCRS only has figures for the number of general practitioners who have contracts under the GMS scheme. The number of contractors is available on our website under the heading "Contractor Reports" at the following link: [PCRS - Reporting Menu \(sspcrs.ie\)](https://www.sspcrs.ie) . Please note that our data is collated by Community Healthcare Organisations and Local Health Office areas rather than by county.

Yours sincerely,

A handwritten signature in black ink that reads 'Suzanne Doyle'.
