To ask the Minister for Health the details of each time his Department, or public bodies under the aegis of his Department, enlisted the services of consultants in 2022; the purpose and value of each contract; and if he will make a statement on the matter.

Response

Deputy Conway-Walsh,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

We have conducted analysis of all contracts and payments in 2022 for Professional Consultancy Services. This reflects total invoice spend in this category and the list of associated EU Procurement contracts and frameworks that were/are in place to support this business.
