Dear Deputy Kelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Construction of a new 50 bed Community Nursing Unit (CNU) in Nenagh, Co. Tipperary is ongoing. This development is to replace the current St Conlon's Nursing Unit.

Construction is planned to be completed in Q4 2023. This will be followed by a process of equipping and commissioning of the new facility to facilitate it being brought into use.

Yours sincerely,
