Deputy Paul Murphy T.D.,
Dáil Eireann,
Leinster House,
Kildare Street,
Dublin 2.

Dear Deputy Murphy,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the following Parliamentary Question, which was submitted to this Department for response.

PQ Number: PQ 19434/23

To ask the Minister for Health if he will provide a breakdown of the process of TAPS funding received by nursing homes; the oversight and criteria that was in place in order to draw it down; and an up-to-date total list of allocations to each facility.

The Temporary Assistance Payment Scheme (TAPS) was introduced by the State in April 2020 to support Nursing Homes by a contribution towards additional costs arising from Covid-19. The Standard Assistance Payment element of the Scheme was ceased from 30th June 2021. The Outbreak Assistance Payment element of the Scheme ceased on 30th April, 2023.

The Health Service Executive (HSE) administers the Scheme and makes payments to the Nursing Homes. The National Treatment Purchase Fund (NTPF) administer the application process and provide support and advice to the HSE.

The process required of eligible Nursing Homes to apply for funding under TAPS was laid out in the Scheme Procedures, issued at scheme commencement. Scheme Procedures were adjusted as the scheme progressed. The most recent procedures document is available on the HSE website:

<https://www.hse.ie/eng/services/news/newsfeatures/covid19-updates/temporary-assistance-payment-scheme-for-nursing-homes/>

A current list of payment made under TAPS by Nursing Home is attached at **Appendix 1**.
