PQ (19644/23) – “To ask the Minister for Health the number of vacancies available to date in community posts in CHO7 and if he will make a statement on the matter”

Dear Deputy Ryan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position:

Local records indicate that as of this date Community Healthcare Organisation Dublin South Kildare and West Wicklow currently has a total of 347 vacant posts for 2023. All of these posts are at various stages of the recruitment process for filling as soon as possible. .

Yours sincerely
