Re: PQ 10222/23

To ask the Minister for Health the reason a facility (details supplied) is not operating; the expected timeframe for a commencement date; and if he will make a statement on the matter.

Hydrotherapy Pool at Enable Ireland in Cavan

Dear Deputy Smyth

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The Children's Disability Network Team Cavan has confirmed that the Facilities Manager commenced in post on 28/02/2023 and the hydrotherapy pool is now in operation. The Manager's responsibilities include the upkeep and management of the hydrotherapy pool. The Manager attended mandatory shallow water rescue training at the beginning of March.

The required equipment for the hydrotherapy pool service was delivered prior to Christmas.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely
