RE: To ask the Minister for Health what are the dedicated whole-time equivalents of consultant endocrinologists, dietitians, advanced nurse practitioners, clinical nurse specialists, staff nurses and administrative support posts currently dedicated to the outpatient adult diabetes clinic in each of the hospitals under the University of Galway Hospitals Group; the dedicated whole-time equivalents of consultant endocrinologists, dietitians, advanced nurse practitioners, clinical nurse specialists, staff nurses and administrative support posts currently in place in the paediatric diabetes and endocrinology service at University Hospital Galway; and if he will make a statement on the matter. -Violet-Anne Wynne

Dear Deputy Wynne,

The Health Service Executive has been requested to reply to you directly in the context of the request for information referenced above. In response to your query, please see the table below for the number of WTEs for both Adult and Paediatric Diabetes Clinics for GUH.

<u>WTEs</u>	<u>Consultant Endocrinologist</u>	<u>Dietician</u>	<u>Nursing Staff (includes ANP, CNS, CNM2, Staff Nurse)</u>	<u>Administration Support</u>
<u>Adult</u>	5.25 ~35% dedicated to the Adult Diabetes Service	2.2 (1 Vacancy)	8.88 (1 Vacancy)	13.5 (3.5 Vacancies) ~40% dedicated to the Diabetes Service
<u>Paediatric</u>	1 (includes outreach to PUH, MUH)	1.5	2.5 (1 includes outreach MUH and PUH)	

I trust this clarifies the matter.

Yours sincerely,

Chris Kane
 General Manager
 Galway University Hospitals
