As with other areas Disability Services within South East Community Healthcare (SECH) are continuing to experience significant recruitment challenges. SECH continues to express posts out to current national panels and continues to prioritise local recruitment campaigns.

The HSE has also commenced an international recruitment campaign for therapy staff and it is hoped that we will be in a position to fill more vacancies from this process. The interviews are scheduled to take place in the coming weeks.

I trust this information is of assistance to you. Should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Ms. Anne Ennis
Head of Service, Disability Service
South East Community Healthcare
