**PQ 6050/23**

**To ask the Minister for Health if there are plans to provide a Jigsaw youth mental health service in County Wexford; the reason that this service is not currently provided for the young people of the county; and if he will make a statement on the matter**

Dear Deputy Mythen

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which was submitted to the Minister for Health for response.

*I have reviewed this matter and the following is the position:*

SECH Mental Health Service has no funding for the Jigsaw service for Wexford at this time. We are willing to assist with any scoping exercise for a Jigsaw service in the area, as and when requested.

Should you require any further information in relation to same, please do not hesitate to contact me.

Yours sincerely
