RE: REPDR/23/6584 "To ask the Minister for Health the number of HSE Home Carers in County Limerick, in tabular form."

Dear Deputy O'Donoghue,

The Health Service Executive has been requested to reply directly to you in the context of the above Public Representation which you submitted to the Chief Officer for a response. I have examined the matter and the following outlines the position.

CHO3	Number of HSE Health Care Support Assistants	Total Number of Care Hours Delivered in 2022
Limerick	288	726,038

A recruitment campaign is currently underway for Health Care Support Assistants in Limerick City and County and the closing date is the 6th March, 2023. Further campaigns will continue throughout 2023.

I trust this information is of assistance to you and should you have any further queries please contact me.

Yours sincerely,
