Re: PQ 6677/23 To ask the Minister for Health the number of kidney transplant procedures carried out in each of the years of 2021, 2022 and to date in 2023; and the hospitals in which these procedures are carried out.

Dear Deputy Kelly

I refer to the above parliamentary question regarding kidney transplant procedures.

I can advise that St Vincent's University Hospital carries out simultaneous pancreas and kidney transplants. There were a total of 2 simultaneous pancreas and kidney transplants carried out during 2021, 8 during 2022 and none carried out in 2023 to date.

I trust this information is helpful to you.

Yours sincerely

Michele Tait
Interim Chief Executive Officer.
