RE: PQ 6679/23

To ask the Minister for Health the number of WTE consultant paediatric dermatologists attached to University Hospital Limerick in each of the years of 2021, 2022 and to date in 2023, in tabular form. -Alan Kelly

Dear Deputy Kelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

I have been in contact with the relevant staff and I have been informed that there are no Consultant Paediatric Dermatologists employed at University Hospital Limerick. Paediatric patients requiring dermatology services are referred to the adult service.

I trust this clarifies the position, please contact me if you have any further queries.

Yours sincerely,

---
