Dáil Éireann,
Leinster House,

PQ 6704/23 – To ask the Minister for Health the ratio of clinicians working in prosthetics and orthotics to their clerical and administrative staff; and if he will make a statement on the matter.

- Rose Conway-Walsh

Dear Deputy Conway-Walsh,

The Health Service Executive has been requested to reply to you directly in the context of the above question, which you submitted to the Minister for response.

In relation to your request for information regarding the ratio of clinicians working in prosthetics and orthotics to their clerical staff, the existing HSE systems do not capture this kind of data nationally. Furthermore, this kind of information is not captured through the personnel census on the basis of program type or specific grades.

Please find the below link to the HSE Census Report and Appendix 1 which you will hopefully find of use:

- [National Reports - Workforce Reports - HSE.ie](#)
- Appendix 1 – Health Service Personnel December 2022

I trust this information is of assistance to you.

Yours sincerely,

Seán McArt
