Dear Deputy Sherlock,

The Health Service Executive has been requested to reply to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Children’s Disability Network Teams (CDNTs) have been established to provide services and supports for all children with complex needs within a defined geographic area.

Under Phase 1 and Phase 2 Cork Kerry Community Healthcare (CKCH) received 7.5 wte posts with an additional of 5.8 posts under Minister Rabbittes Special School allocation. 2022 NSP posts approved in Phase I was 14.5 WTE and of the 25.9 posts for special schools awarded in August 22.2 WTE are for Cork network teams and the applicable number for **North West Cork CDNT** is reflected in the table below - discussions are ongoing in relation to breakdown into specific roles for special schools.
