**To ask the Minister for Health the bed occupancy rates of each public and public voluntary hospital, by hospital group, for each day in January 2023, in tabular form; the national average; and if he will make a statement on the matter.**

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions, which you submitted to the Minister for Health for response.

Please note that bed occupancy rates are available on a monthly basis and we cannot therefore provide the information for each day in January. In this regard, I attach the requested data for the month of January 2023.

Please also refer to the footnotes in the attached data.

I trust this response is helpful.

Yours sincerely,
