**To ask the Minister for Health the bed occupancy rates of each public and public voluntary hospital, by hospital group, for each day in January 2019, in tabular form; the national average; and if he will make a statement on the matter.**

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions, which you submitted to the Minister for Health for response.

I outline hereunder the requested data with regard to bed occupancy rates of each public and voluntary hospital for January 2019. You should note that the occupancy rates are only available on a monthly basis and therefore we could not provide the rate for each day.

Please also note that data contained in the table below is preliminary and may be subject to change.

I trust this response is helpful.

Yours sincerely,
