RE: PQ 7386/23 Ballyhaunis Primary Care Centre - To ask the Minister for Health if he will provide an update on the delivery of the primary care centre for Ballyhaunis; if construction has recommenced and the timeline for the delivery of same; and if he will make a statement on the matter.

Dear Deputy Conway-Walsh,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted for response. I have examined the matter and the following outlines the position.

The developer is having difficulty agreeing completion works with subcontractors due to the increase in construction costs. The HSE is working in tandem with the developer within the bounds of the competitive process and lease agreement to assess if rates can be increased.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,
