To ask the Minister for Health when capital funding will be made available for the provision of long-term day care services in Carndonagh, County Donegal.

Dear Deputy Mac Lochlainn

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Having examined the matter, I can confirm that a facility has been sourced in Glengad to provide day care services for people in the Carndonagh area. This is currently being progressed by HSE Estates, HSE Property Management and the Glengad Care of the Aged Committee. The day care service will be in place at the Glengad facility for a period of two years. Other options are being explored in the meantime for a longer-term arrangement and capital funding will be sourced when an alternative option has been agreed.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely
