**PQ 8527/23**

Dear Deputy Feighan,

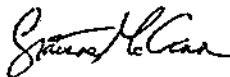

The Health Service Executive has been requested to reply directly to you in the context of the above Public Representation. I have examined the matter and the following outlines the position.

**Response:**

In the last 6 months 19 dental sessions took place with anaesthesia. Currently there is one list every second week for dental services and offers are given for extra sessions when they become available.

I trust that this addresses your query.

**Yours sincerely,**

---

**Hospital Manager.**
