Deputy Christopher O'Sullivan  
Dáil Éireann  
Leinster House  
Dublin 2

9<sup>th</sup> March, 2023

***PQ9280/23 To ask the Minister for Health if his attention has been drawn to the delays with the accreditation of cardio physiologists who require certification of their training to be approved by the Irish Institute of Clinical Measurement Physiology; the knock-on effects this is having on recruitment; and if he will make a statement on the matter. -Christopher O'Sullivan***

Dear Deputy O'Sullivan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response.

HSE National Employee Relations (NER) have advised that a working group has been convened to focus on workforce planning & other matters in clinical measurement. It is the understanding of NER that no issues have been raised with them to date regarding the context of your question.

The working group will examine both Human Resource and Industrial Relations matters with a view to understanding and improving any concerns that may be raised.

I trust this is of assistance to you.

Yours sincerely,

**Nessa Lynch**  
**General Manager**  
**Acute Operations**
