Re Ref: PQ 9281/23

Minister Madigan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health and Children for response. I have examined the matter and the following outlines the position.

The Health Service Executive does wish to develop a new Primary Care Centre in the Stillorgan area or surrounding area, and is currently preparing to go back out to the market to seek expressions of interest for potential sites and developers.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

**Declan O'Hanlon,
General Manager, Primary Care**
